# The Wink Fit Difference: Expect Comfort

Each Wink garment is designed to fit comfortably, eliminating the distraction and frustration of tugging, pulling, and constant adjustment. Many of our collections include sizes up to 5XL, and some include a unique 1X style. We're proud to offer flattering, effortless-to-wear garments in a wide range of shapes and sizes.

### MODERN FIT:

Wink's modern fit skims the body for a fit that's not too tight and not too loose.

### CLASSIC FIT:

Classic fit is comfortable and stylish. A relaxed fit allows for ease of movement.

### UNISEX FIT:

Unisex fit is relaxed and roomy to accommodate a wide variety of shapes.

We have updated our sizing charts to more accurately reflect the body standards we build our product to fit, removing ambiguous ranges. The body standards we build product for have not changed, nor has the product. The information update will help to better navigate the Carhartt sizing systems and products. The additional body measurements given will set expectations for all consumers on how the bodies we designed the product for might vary from their own, including those wanting or needing to purchase across gender.

## WOMEN'S BODY MEASUREMENTS

Our Women's Alpha-sized, Regular Length products are built for a body that measures:

### HOW TO MEASURE

**Bust:** Measure the fullest part of your bust, keeping the measuring tape parallel to the floor.

**Natural Waist:** Bend side to side and find the natural bend in your body; this is your natural waist. **Note:** It may not be the smallest point.

**Hips:** Measure the fullest part of your hips, approximately 8" below the natural waist.

For best results, measure over your undergarments.

### HOW TO MEASURE

**Chest:** Measure just under arms and across shoulder blades holding the tape firm and level. If your chest falls between sizes, order the next size up.

**Natural Waist:** Bend side to side and find the natural bend in your body; this is your natural waist. Note: It may not be the smallest point.

**Hip/Seat:** Measure the fullest point between your natural waist and crotch.

For best results, measure over your undergarments.
